

# REGGIANA UK LIMITED

Our Yorkshire based distribution, repair and service centre will be on hand to show off new and existing units ideally suited for Winch and Marine applications:

**RR5200 W3** – a new range of dedicated winch drives for a multitude of marine and offshore applications

**RR4000FF L5 FS** – a front flanged mounted gearbox suited for slewing applications complete with Pinion

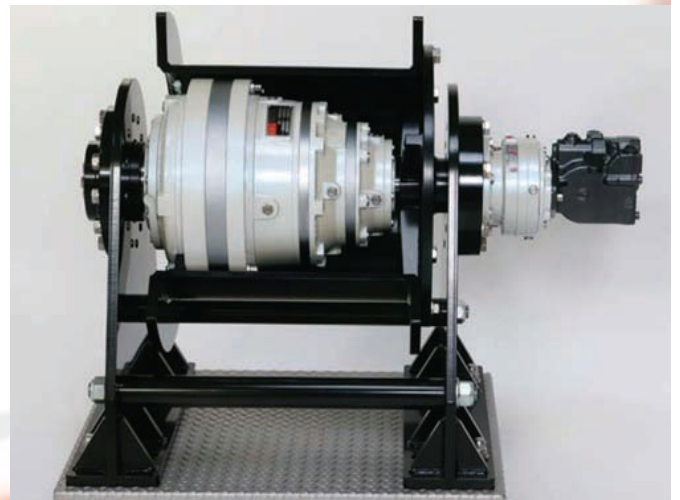

**RRTD1700TB (winch)** – a winch adapted, compact track drive complete with parking brake

Our Sales and Technical staff will also be on hand to inform you of our products and services and answer any questions you might have.
